

Queenstown's best long lunch

Walter Peak is home to one of Queenstown's best long lunches and gourmet dining experiences. Head across the lake on the TSS Earnslaw to enjoy a glass of wine and fresh farm ingredients. You can also take a stroll through the gardens and beyond to the farm should you wish. There's something for everyone over at Walter Peak, and we're proud of this little piece of paradise across the lake that we get to call home.

Walter Peak Farm Tour

Our Walter Peak High Country Farm Tour is the perfect family day out. Greeted by one of our friendly farmers, you'll be taken on an interactive tour including animal feeding, a working sheepdog demonstration and of course getting to meet some of our resident farm animals such as our famous highland cow, Dougal. We'll also make sure you don't go hungry with a delicious afternoon tea, freshly baked at the farm.
